2. Consider and take action with respect to a RESOLUTION authorizing Rural Water District No. 2, Noble County, Oklahoma (The “District”) to issue its utility system revenue note, Series 2026 (The “Note”) in the aggregate principal amount of not to exceed \$ 1,200,000.00; authorizing the Note to be sold on a negotiated basis; approving and authorizing execution of an indenture authorizing the issuance and securing the payment of the Note; authorizing and directing the execution of the Note and other documents relating to the transaction; and containing other provisions relating thereto.

Discussion: Mr. McDonald gave an update on the process and a brief timeline as to the completion of the line extension on Red Rock Road. Mr. Brooks and Mr. Ellis discussed our financing options. Oklahoma Water Resources Board (OWRB) offers two programs; one of which is the financial assistance program. Another funding option is with a bank loan; specifically, with RCB Bank (Claremore). Lance Fortney (Board Member) discussed about our current demand vs rate raises by Lone Chimney and/or City of Stillwater over time as to whether the district could maintain our existing system and handle this loan for this line extension. Mr. Ellis presented to the Board a handout with the breakdown of the loan funds. He indicated that it would be beneficial to the district to pay off the existing OWRB loan and do a final arbitrage rebate calculation. Motion Allen DeVilbiss; Second Lance Fortney to accept the RESOLUTION and proceed with The Public Finance Law Group to assist with paying off the existing OWRB loan and set up funding for the line extension project through a bank loan.

3. Adjournment.

Motion Allen DeVilbiss; Second Randy Ritthaler to adjourn the Special Meeting of Noble County Rural District # 2 (April 29, 2026).
